

# SOCKS APPEAL

Bridgedale Socks has responded to an appeal from the charity War Child, to help keep Afghan refugees warm at Zabol, on the Iran-Afghan border. War Child, who successfully established the emergency field bakery that kept thousands fed during the Kosovo crisis have deployed their skills at Zabol, where they will employ local people and train them to bake food for up to 30,000 people a day. In order to assist their relief efforts, Bridgedale is sending Light Trekker, Trekker and AT Boot Plus ranges to War Child to help these desperate, hungry people living in harsh climate conditions. War Child is dedicated to providing immediate, effective and sustainable aid to children affected by war.
